Nonpartisan Advocacy for **Small-Business Policy**

NSBA is a uniquely member-driven organization, operating on a staunchly nonpartisan basis.

Policymakers must ensure small-business is not burdened by unnecessary, unfair regulations.

65,000+ Members **Representing Every Industry**

A voice for the nation's millions of small businesses, NSBA Members are found in every State & Congressional District.

Small Business. **Big Impacts.**

What We Do

Utilizing powerful perspective from our members, NSBA works closely with the nation's leaders to inform and educate on the impacts and importance of common sense small-business policy.

Who We Are

NSBA membership is as diverse as the economy we fuel. Carpenters, consultants, manufacturers, retailers, investors - the list goes on and our network of citizens committed to free enterprise continues to grow.

How Congress Can Help

Small businesses need lawmakers to support NSBA priorities and initiatives through words AND actions.

A voice for our small-business community is one for the entire country's economy!

"NSBA has been around nearly 90 years, and our staff has more than 100 years of collective experience on Capitol Hill - let us know how we can help you."

SMALL-BUSINESS OWNERS EMPLOY MORE THAN 60 MILLION AMERICANS.

And NSBA is a nonpartisan advocate for them all.

Here's what they say are the federal policies affecting them most.

2023-2024 PRIORITY ISSUES

At NSBA's biennial Small Business Congress, our members vote on the organization's Priority Issues - those issues which are most impacting America's small-business owners. This year, the Small Business Congress voted these our top priorities for policymakers to address:

Expand Expiring Tax Cuts
Improve Opportunities for Small-Business Contracting
Rein in the Cost of Health Care
Improve Access to Capital
Repeal the Corporate Transparency Act

Enact Simplified Tax Reform
Improve Small-Business Workforce Access and Training
Prevent IRS Targeting
Reform U.S. Immigration
Strengthen the SBA's Office of Advocacy

NSBA's Economic Survey indicates more than **one-third of small businesses are unable to obtain adequate financing** - the highest level this indicator has been since 2008.

The average small-business owner is **spending at least \$12,000 every year** dealing with regulations based on results of **NSBA's Regulations Survey**.

According to **NSBA's Taxation Survey**, the **administrative burdens** of federal taxes **outpaces** their **financial burdens** for small businesses.
